

CONSTRUCTION VS CANCER

2024 COMMITTEE MEMBER INFORMATION

About Las Vegas Construction vs Cancer

Construction vs Cancer gives local children and families the opportunity to be “hard hats” for the day, operating heavy machinery, including excavators, and scissor lifts in a carnival-like atmosphere. Funds raised through Construction vs Cancer go towards childhood cancer research grants, advocacy, and patient services funded by the American Cancer Society. Construction vs Cancer has raised over \$1 million since its inception.

Committee Member Description

The Construction vs Cancer Committee is comprised of community and business leaders from corporations throughout the Southern Nevada area. The mission of the committee is to promote and support the success of Construction vs Cancer through the recruitment of dedicated corporate sponsors and event leadership. By doing so, this prestigious group will assist the American Cancer Society’s mission to save lives, celebrate lives, and lead the fight for a world without cancer.
